We have seen on City Web Pages that the City of Victoria and City of San Patricio are on BWA and have seen multiple reports the Victoria County is also on a BWA

I've seen news reports that the City of Victoria is under a BWA but I don't have confirmation from TCEQ or the SOC.

I need to talk to OSCs McAteer and Brescia to find out when TCEQ is going to start updating DW status updates in RM.

Kim, Mark, Angela, Andy,
Other than the BWA in Corpus do we have any PWS impact information available?

Kim - that was exactly the answer I was looking for. Please keep us in the loop, but as a layman, I may ask a question or two.
Thanks again,

Bryant the email was a routine notification we send air carriers when there is a BWA

Pls let us know how to best coordinate w you on routine communications i.e. send to you prior if needed

**Subject: Boil Water Advisory for
City of Corpus Christi Airport
(CRP)**

Hi EPA Region 6 Air

Carriers,

I wanted to inform you that
due to conditions within the
City of Corpus Christi caused
by Hurricane Harvey, the
Texas Commission on
Environmental Quality has
required the City of Corpus
Christi to notify all of their
customers to boil their water
prior to consumption. Please
do not board water from the
Corpus Christi airport (CRP)
onto your aircraft until the
boil water advisory has lifted.
